## WELCOME to the NEW BEAUTICIAN

Dawn Ahrens is the new licensed beautician at Rosewood. She started offering her services here at the end of March this year. Dawn has been a licensed beautician since 1985. She lives in South Fargo and has a six year old daughter and 2 step children, 14 and 18.

When not working, Dawn loves to do crafts and scrap booking.

Prices for beautician services which had not been revised for many years were reviewed and have been changed. They are:

Haircuts--\$12  
Perms--\$42  
Shampoo/set--\$12

Color--\$28  
Hi-lites or Low-lites--\$60  
Beard trims--\$6

To schedule an appointment stop in and talk with Dawn or leave word at the reception desk.

It is the policy of Rosewood to provide routine hair care to residents at no additional charge. Routine hair care is defined as shampoos, sets, cuts or grooming provided by the facility staff, which is necessary to provide for the needs of the resident. Routine hair care can be done by facility staff or by volunteers and is included in the daily room charge. If residents wish to have sets done by facility staff, they must have their own curlers or staff will use a curling iron to curl hair.

## NDSU VOLUNTEERS

For the past few months we have had NDSU students coming to Rosewood on a volunteer basis. They have been spending time with our residents playing cards, helping with bingo, reading, and playing games. They have planted flowers in cute little ceramic flowerpots that were made in their class and brought them in as gifts. The past week we have had them working in our flower garden getting it ready for July 14<sup>th</sup>. Rosewood is on the Soroptimist International of Fargo Garden Tour this year. We will have many visitors coming through to view our flower garden. They did a fantastic job! We would have had a hard time getting this done without their help. They are invaluable to Rosewood and the residents. They enjoy being with our residents and some of the volunteers even ask to be with certain residents they get to know, so it is a great experience for the students and our residents. Some of the students need to do volunteer hour for certain classes at NDSU but several of them ask if they can return and volunteer on their own. We let them know how much we appreciate them and would be very happy to have them come back whenever they have the time with their school studies, jobs and different things they have in their busy life. So a great big Thank You to our volunteer college students.

## ROSEWOOD AUXILIARY RECEIVES HONORS *by Tammy Breuer*

In April members of the Rosewood Auxiliary were excited to learn that we had been chosen as Volunteers of the Year by the Directors of Volunteer Services. Myna Harris and Jill Freed who are Resident Program Managers at Rosewood, nominated use and we want to thank all those involved.

Mentioned on the nomination entry were projects by the Auxiliary such as Pie Day each month, newspaper subscriptions, playing piano for Chapel Services, participation in the facility Christmas Bazaar, donation

of indoor and outdoor furniture, purchase of a dining room piano and other services to enhance the lives of the people living at Rosewood on Broadway.

Also at our April meeting we were informed that the garden at Rosewood will be on the Garden Tour in July. This is an annual event sponsored by the Soroptomist Club of Fargo. Since the garden has been one of our favorite projects, we voted to donate \$500 toward plants and anything else needed to make the garden more beautiful.

As always, we invite anyone interested, to join our Auxiliary. We meet the first Thursday of each month at 12:45 and our dues are \$10 for Active Members and \$15 for Associate Members.

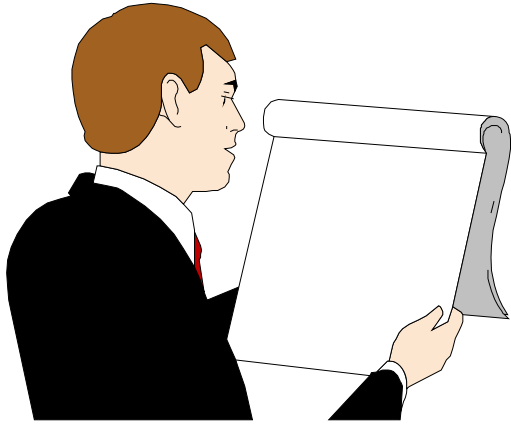

## MY INNERVIEW SATISFACTION SURVEYS...

It's time again for resident, family and staff surveys via "My Innerview". So, what is My Innerview? It is a web-based quality management system that guides an organization along the path to continuous quality improvement, by tracking six critical domains of quality – family satisfaction, employee satisfaction & commitment, state survey results, quality of life, quality of care and financial health. My InnerView also allows organizations to benchmark performance against peers at a company, state or national level. My InnerView, helps Rosewood by looking deep inside the core culture and inner workings of the organization.

My Innerview surveys will be sent to residents, family members and staff within the next month or so. Please take the time to complete and return the survey. Your information is extremely beneficial to us. The survey you complete is forwarded to the My Innerview corporation in a sealed, confidential envelope. The information you provide is combined with other surveys to form a spreadsheet of information. The spreadsheet has questions with responses, and the responses cannot be traced back to you.

The completion of the survey gives Rosewood a "snapshot" of the pulse of the organization. It provides us with information that is critical to propel the organization forward. So, take the time in which to examine and review how we measure up to your standards. Thank you in advance for taking the time to complete the My Innerview survey.

## ADVANCE DIRECTIVES

To preserve the inherent dignity of the human person, promote a person's self-determination (autonomy) regarding health care decisions when they become incapacitated and to preserve a person's right to accept medical treatment or to refuse treatment that has become too burdensome and/or is no longer a benefit Rosewood has the following policy regarding Advance Directives/Healthcare Directives.

### POLICY

Every competent adult has the right and responsibility to make the decisions relating to their own health care, including the decision to have health care provided, withheld or withdrawn and/or to make an organ/tissue donation at the time of death. Rosewood will provide information to all adult residents upon admission regarding these rights.

Rosewood does not condone, authorize, approve or participate in mercy killing (euthanasia) or permit an affirmative or deliberate act or omission to end life, other than to allow the natural process of dying.

Rosewood will follow the Advance Directive policy within the laws of North Dakota (*ND Century Code 23-06.5*) and the *Ethical and Religious Directives for Catholic Health Care Services*. This means that Rosewood may refuse to comply with a resident's wishes with respect to the withholding or withdrawal of nutrition and hydration or the extent to which a resident request may involve the intentional or apparent hastening of death other than by way of the natural process of dying.

Residents may inform Rosewood of their wishes via an Advance Directive/Healthcare Directive or by indicating a Code Level, directing staff as to what actions to take should the resident experience a cardiac and/or respiratory arrest. If a Code Level and/or Advance Directive decision is not made by the resident or their agent, the resident will automatically be considered a Full Code until otherwise indicated by the appropriate individual(s).

Rosewood will not discriminate against a resident based on whether or not the individual has issued an Advance Directive.

Withholding and withdrawing treatments, nutrition and/or hydration according to the resident/agent wishes with the practitioner's consent will be honored by this facility within the guidance of the *Ethical and Religious Directives for Catholic Health Care Services* pertaining to end of life decisions.

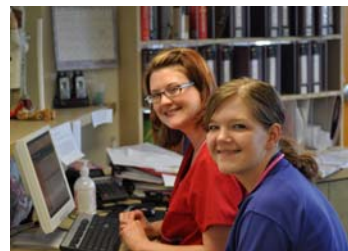

If Rosewood has a conflict with a specific resident Advance Directive, Rosewood will inform the resident and/or their agent and take all reasonable steps to transfer the resident to another health care practitioner or facility who will comply with the individual's wishes and specified directive (NDCC § 23-06.5-09 (2)).

Rosewood will make available information concerning how residents and/or their agent may contact the State Certification and Survey Agency with appropriate contact information and phone numbers.

An Advance Directive/Healthcare Directive may be revoked or changed at any time and in any manner by the resident or their agent (if resident is unable). If the change or revocation is made verbally, every attempt will be made to obtain a signed, dated, written revocation or change on the current Advance Directive. If it is not possible to obtain written change or revocation, the patient/resident/agent verbal change or revocation will be witnessed by a health care provider and documented in the resident's medical record.

## THIS NEWSLETTER IS BROUGHT TO YOU...by Eileen Waldera,

she is the one who does the folding, labeling and preparation for mailing.

Eileen came to Rosewood in January of 2007 for a short rehab stay but things didn't work out that way and she continues to live on Prairie Heights (4<sup>th</sup> floor). She says she's still at Rosewood because everyone liked her so much they won't let her go!

Eileen got her teaching certificate at Aberdeen College and taught in Aberdeen until she was married when she and her husband moved to Cayuga. Eileen has 2 children, a son in St. Paul/Minneapolis and a daughter in Bismarck who is a librarian at the city library.

While in Cayuga, Eileen was a clerk at the Post Office and later name Post Master there for a short time before retiring.

Eileen prefers to stay busy and doesn't like to be interrupted while she works. She likes working on the newsletter because she feels like it is worthwhile work and looks forward to each new edition. Her work here is greatly appreciated!

## **Making Amends**

Someday we must meet our fate, just how we do no know.  
And surely not on an appointed date, for only *God* knows when we go.

How much time to change hate to love, how much time to pay what we owe.  
Will it be to Heaven above, or to a fire and brimstone pit below.

The thought of it brings amends to mind, that must be done before the last breath.  
When all earthly treasures are left behind, and all must leave this life in death.

It is time to turn to *God*, and leave our souls to Him in trust.  
That we be raised to spiritual life, when earthly bodies turn to dust.

Russell Hanson, Rosewood
